

**Spokane Regional Clean Air Agency (SRCAA) Fee Schedule**  
*Effective 9/2/11*

Listed in chronological order by Section number as referenced in SRCAA Regulation I

**9.09.C - Asbestos-Containing Waste Material Temporary Storage Permit**

Asbestos-Containing Waste Material Temporary Storage Permit application fee: \$65

**10.06.B - Annual Registration Fees**

Registration Fee Categories	Fee	Fee Applicability
Facility Fee	\$201	Per Source
Emissions Fee	\$58	Per Ton
Emission Point Fee	\$63	Per Stack/Point
Synthetic Minor Fee	\$1,394	Per Source
WEDS Fee	\$67	Per Hour

**10.06.C.3.a - Operating Permit Fees**

For affected units under Section 404 (Acid Deposition Standards)...\$67/hr

**10.07 - Notice of Construction (NOC) and Notice of Intent (NOI) Fees**

<b>A. Base Fee</b>		
Class I – Notice of Intent Permit (Section 5.08.A.2)		
<u>Includes</u>	<u>Exhibit R Category</u>	<u>Fees</u>
Asphalt plant	15	\$1,000
Concrete batch plant / ready mix plant	22	\$1,000
Rock crusher	36	\$1,000
Class II – Simple Notice of Construction Permit (conforms to template, minimal off-site impact evaluation)		
<u>Includes</u>	<u>Exhibit R Category</u>	<u>Fees</u>
Boiler and other fuel burning equipment	27	\$2,290
Coffee Roaster	20	\$2,290
Concrete batch plant / ready mix plant (for first time operation of temporary / portable sources as referenced in Section 5.08.A.1)	22	\$1,250
Concrete batch plant / ready mix plant	22	\$2,290
Dry cleaner	23	\$2,290
Emergency generator	52	\$2,290
Gasoline station	28	\$2,290

Lithographic printing / screen printing	9.e.5	\$2,290
Material handling / transfer that exhausts >1,000 acfm	24	\$2,290

Rock crusher (for first time operation of temporary / portable sources as referenced in Section 5.08.A.1)	36	\$1,250
Rock crusher	36	\$2,290
Spray booth / surface coating operation	57	\$2,290
Stationary internal combustion engine	53	\$2,290
Sterilizer	9.e.8	\$2,290
Stump / wood-waste grinder	54	\$2,290

**Class III – Standard Notice of Construction Permit (no template, minimal off-site impact evaluation)**

<u>Includes</u>	<u>Exhibit R Category</u>	<u>Fees</u>
Soil and groundwater remediation operation	9.e.7	\$3,525
Burn-out oven	43	\$3,525
Chrome plating	35	\$3,525
Incinerator / crematory	31	\$3,525

**Class IV – Complex Notice of Construction Permit (no template, more complex off-site impact evaluation)**

<u>Includes</u>	<u>Exhibit R Category</u>	<u>Fees</u>
Asphalt plant (for first time operation of temporary / portable sources as referenced in Section 5.08.A.1)	15	\$1,250
Asphalt plant	15	\$5,700
Composting	21	\$5,700
Refuse systems	48	\$5,700
Rendering	49	\$5,700
Sewerage systems	50	\$5,700

For sources not listed above, the Control Officer will assign a Class at his/her discretion.

**B. Modification / Revision Fee**

<u>Description</u>	<u>Fees</u>
Equipment modification <sup>1</sup>	½ regular fee
Permit condition revision	\$700
Complex permit condition revision <sup>2</sup>	\$1200

<sup>1</sup> The fee shall be one-half the current fees for a Notice of Construction and Application of Approval or a Notice of Intent to Install and Operate a Temporary Stationary Source for that type of source, including the base fee and additional fees set

<sup>2</sup> Applied when dispersion modeling, impact analysis or emission calculations are required that are not covered under C. Additional Fees

**C. Additional Fees (added to the Base Fee and Modification / Revision Fee, if applicable)**

<u>Description</u>	<u>Fees</u>
SEPA review	\$500
Toxics review	SQER \$620
	Dispersion modeling \$1,250

	Advanced modeling	\$1,900
NSPS review	40 CFR 60, Subpart 000 <sup>3</sup>	\$450
	Other <sup>4</sup>	\$600
NESHAP review	40 CFR 63, Subpart M, N & T <sup>5</sup>	\$1,250
	Other	\$2,525
BACT review	Generic	\$175
	Non-generic	\$625
	Top-down	\$3,200
<sup>3</sup> Non-metallic mineral processing (e.g., rock crusher) <sup>4</sup> Other (e.g., boiler, hot mix asphalt plant, volatile organic liquid storage) <sup>5</sup> Dry cleaner, chrome plater, halogenated solvents		

<b>D. Compliance Investigation Fee</b>	
<u>Description</u>	<u>Fees</u>
Compliance investigation fee	\$385

### 10.08 - Miscellaneous Fees

<b>A. Miscellaneous Fees</b>		
<u>Description</u>		<u>Fees</u>
Miscellaneous	Emission reduction credit	\$67/hour
	Variance request	\$67/hour
	Alternate opacity	\$67/hour
	Other	\$67/hour

### 10.09 - Asbestos Fees

#### Asbestos Project and Demolition Notification Waiting Period and Fee Schedule

<b>Owner-occupied, single-family residence</b>	<b>Waiting Period</b>	<b>Notification Fee</b>
≥ 0 In ft and/or ≥ 0 sq ft asbestos performed by residing owner	Notification Not Required	Not Applicable
< 10 In ft and/or < 48 sq ft asbestos NOT performed by residing owner	Notification Not Required	Not Applicable
≥ 10 In ft and/or ≥ 48 sq ft asbestos NOT performed by residing owner	Prior Notice	\$0
All Demolition	3 Days	\$30

<b>Not owner-occupied, single-family residence</b>	<b>Waiting Period</b>	<b>Notification Fee</b>
< 10 In ft and/or < 48 sq ft asbestos	Notification Not Required	Not Applicable
10-259 In ft and/or 48-159 sq ft asbestos	3 Days	\$250 <sup>A</sup>
260-999 In ft and/or 160-4,999 sq ft asbestos	10 Days	\$500 <sup>A</sup>
≥ 1,000 In ft and/or ≥ 5,000 sq ft asbestos	10 Days	\$1,250 <sup>A, B</sup>
All Demolition	10 Days	\$250

<b>Additional categories</b>	<b>Waiting Period</b>	<b>Notification Fee</b>
Emergency	Prior Notice	Twice the Regular Fee
Amendment	Prior Notice	\$0
Annual Notification ( $\leq 259$ ln ft and/or $\leq 159$ sq ft)	Prior Notice	\$750
Alternate Asbestos Project Work Practices	10 days	Twice the Regular Fee
Demolition with Nonfriable Roofing	10 days	Twice the Regular Fee
Exception for Hazardous Conditions	10 days	Regular Fee

<sup>A</sup> Includes demolition fee, if applicable, provided the asbestos removal project and demolition project are submitted to the Agency on one notification.

<sup>B</sup> When removing  $\geq 2,000$  ln ft and/or  $\geq 10,000$  sq ft, an additional fee of \$250 shall be paid for each increment of up to 1,000 ln ft beginning at 2,000 ln ft and/or each increment of up to 10,000 sq ft beginning at 10,000 sq ft.

### **10.13 - Outdoor Burning Permit Fees**

Type of Outdoor Burning	Advance Application Period	Fee
Residential Land Clearing	10 working days	\$200
Social Event Fires	3 working days	\$50
Storm or Flood Debris	5 working days	\$200
Other Outdoor Burning as defined in Chapter 173-425 WAC	10 working days	\$55/hr

### **10.14 - Paving Waiver Fees**

Filing Fee... \$50  
Hourly Fee... \$55/hr
