

Business / Source Closure Notification

3104 E. Augusta, Spokane, WA 99207-5384 / www.spokanecleanair.org / 509-477-4727 / fax 509-477-6828

Complete and sign this form and return it to Spokane Clean Air within 90 days after equipment or operations, producing air contaminant emissions, permanently cease (WAC 173-400-101(5) and SRCAA Regulation I, Article IV). Failure to notify Spokane Clean Air of a source closure within 90 days may result in the issuance of a Notice of Violation, which is followed by the assessment of a civil penalty.
